

Scholastic Art Awards Colorado Affiliate

**Scholastic
Art & Writing
Awards**

Since 1947, the Scholastics Art Awards Colorado Affiliate program has been an integral part of the art community statewide. This longevity is a testament of the dedication and contribution of patrons and the community that make it a success. Last year, Colorado had over 6,000 pieces of art from approximately 2,100 students grades 7-12 in the program! Additionally, there were over 300 portfolios from seniors who have now gone on to pave their creative pathways in colleges and universities around the country! In order to continue to provide a quality program and maintain our standards for excellence, the Colorado Art Awards is proud to offer sponsorships for the Colorado Scholastics Art Awards program.
